EDITOR'S  
CHOICE

### Interview with Buddy Valastro – the Cake Boss

**What have been your experiences with TV show *Cake Boss* and its spinoffs?**

I am living my dream job: I get to bake extraordinary cakes, have fun, work with my family and meet amazing people all the time. I also get to impart my love for baking and food to others, and hope that I get to inspire them in some small way.

**What is your favourite thing to bake right now?**

It depends, really. At the moment I am enjoying a fresh slice of strawberry shortcake, but in the winter there is something to be said for rich chocolate cake with chocolate ganache!

**What do you have planned for the Good Food & Wine Show?**

I am busy preparing some fun stuff, but I can't let on just yet. You'll just have to come in and see for yourself!
