

# DRINK & BE MERRY

*There's plenty to celebrate and something for everyone this Father's Day*

## EYE OF THE TIGER

Blind Tiger Gin won Gold Medals at both the International Sip Awards, held in California, and The Gin Masters, held in London. A fresh and exciting nose with a medley of angelica root and coriander allows for the soft nuance of juniper berries in the background.

On the palate, Blind Tiger is smooth and full-bodied with a slight sweetness, leading to a fresh and vibrant citrus finish provided by hints of lemongrass and passionflower.

## YES, SIERRA!

Sierra Tequila is distilled from hijuelos (baby agave plants) that are cut by hand from mature plants grown in the highlands of Mexico. The range includes Sierra Tequila Silver (Europe's most popular choice, with a fruity and fresh aroma),

Sierra Reposado Gold (with gentle notes of caramel, vanilla and fragrant herbs), Sierra Spiced (a sweet blend of reposado tequila with orange and cinnamon flavours) and Sierra Café (with Mexican coffee). [sierratequila.com](http://sierratequila.com)
